FRUITEA

Inspired by the simple joy of cutting fruit and the happiness of fruity bubble tea.

Our beverages sit perfectly between bubble tea and cocktails, a refined balance of fun and sophistication. Each drink is thoughtfully crafted with healthy fruit blends, floral/ tea infusions, and beautifully decorated drinks that elevate every sip.

Think of flavours like a signature scent: every brand deserves one that's uniquely theirs. Want your own exclusive blend? We love customisation! Tell us what you imagine, and we'll bring your brand's flavour identity to life.
